This was such an amazing place to get married at and share my special day!! Highly recommended for any occasion you have." - Melissa G. H.

"This was my parents 50th Wedding Anniversary party. If you are thinking of having an event somewhere, look no further!!!! You CANNOT and WILL NOT find a more beautiful venue with a more helpful staff than at the Barrel Factory/Lakeward Spirits!! Our guests could not stop talking about how wonderful it was with all of the exposed brick and original wood beams and woodwork, not to mention all the natural sunlight that filters in and the views of the grain mills. Gorgeous!!! THANK YOU!! - K. H. K."

The "great hall" loosely reminded me of the old Park Lane restaurant that was demolished (for what reason?) a number of years back. Remember that feeling when you walked into the large dining room? You just don't come across these impressive old spaces anymore - they are usually built with too much drywall and don't retain enough original wood and brick. In this case, the opposite is true. This place is very comforting in its raw state."

We cannot thank you enough for all of the wonderful hard work, creativity, and joy that your team brought to Caroline and Jared's wedding!

The event was fabulous from start to finish and we are all so grateful! Everyone commented on and loved the flowers, the table settings, the wonderful ambiance, delicious cocktails and food, and on and on.

It was a perfect day and that is a gift that they will have for the rest of their lives!
